EXPERIENCE AS AN ADVISOR TO E.U. RESEARCH PROGRAMMES AND INTERNATIONAL JOURNALS

- Evaluator in DRIVE II (DGXIII), October 1991
- Evaluator in DRIVE III (DGXIII), March 1995
- Evaluator in TIDE (DGXIII), February 1996
- Reviewer in T/TAP/DGXIII, November 1997
- Evaluator in the joint call of DGVII/DGXIII, April 1998
- Transportation Research (C)
- Journal of Retailing and Consumer Services

EXPERIENCE AS A PARTICIPANT IN E.U. RESEARCH PROJECTS

(A) AS A CONSORTIUM CO-ORDINATOR

1. TELAID (TELEmatic Applications for the Integration of Drivers with special needs) DGXIII, May 1992

Key issues: Disabled Drivers, Transport Telematics, Design guidelines, driver workload, aid systems database development

2. TELSCAN (Telematic Standards and Coordination of ATT systems in relation to Elderly and Disabled travellers), DGXIII, July 1996
Key issues: Horizontal project, Elderly and disabled travellers, Transport telematics, T- TAP projects support, design guidelines handbook and database, testing of ITS with E&D.
3. WORKFRET (Working cultures in the face of intermodal freight transport systems), DGVII, December 1997
Key issues: New technology in intermodal transport systems, human and organisational impacts from the introduction of new technology, new production and logistics systems, overview of working cultures in European transport systems, case studies in six focal points policy suggestions
4. THALASSES (New technologies in maritime transport interacting with the human element: assessment of impacts), DGVII, January 1998
Key issues: New technologies in Maritime transport, human and organisational impacts of their introduction, integrated ship operation concept, flags of convenience, relationship with human and organisational impacts.
5. WORKPORT (Work organisation in Ports) , DGVII, January 1998
Key issues: New technology in ports and sea transport. Review of ideas successfully applied in other industrial sectors and consideration of their applicability to the port environment, new port organisation forms, case studies in six ports.
6. TRAVELGUIDE (Traveler and traffic information systems: Guidelines for the enhancement of integrated information provision services) DGTREN, April 2000
Key issues: Cooperation between traffic management and traffic information systems, design guidelines for traffic information systems.
7. PROSPELASIS (Accessible monuments and archaeological sites of Thessaloniki), 30/04/2009-30/04/2011, European Economic Area Mechanism

(B) AS A CONSORTIUM PARTICIPANT

1. "A European System for International Road Freight Transportation Operations" (EUROFRET).
Project assigned at the KYKLOFORIAKI - T.R.U.Th. in 1989 at the framework of the DRIVE project of the European Communities.

2. "Computer Aided System for Scheduling, Information and Operations of Public Transport in Europe" (CASSIOPE).
Project assigned at the Laboratory of Transportation Engineering in 1990 at the framework of the DRIVE project of the European Communities.
3. "Control of Highway Ramps and Information Signs for Trips on Integrated Accesses and Network in Europe" (CHRISTIANE). Project assigned at the Laboratory of Transportation Engineering in 1989 at the framework of the DRIVE project of the European Communities.
4. HANDIAMI (Investigation of the employment of disabled persons in the maritime industry e.g. new shore based jobs and into the problems of disabled passengers in "access and emergency situations"), DGVII, December 1997
5. DARE (Development of the Hellenic center for the evaluation and training of drivers with special needs "INIOHOS") 1995.
6. ODIGO (Development of an integrated support for Drivers with special needs) Hellenic Ministry of Social Affairs, 1991.
7. TRANSWHEEL (Transportation wheelchair with high impact safety and advanced sensor comfortability for people with mobility problems, DGXIII, January 1997
8. KATHENAS (Development of an accessibility evaluation methodology and a information system for Athens) Hellenic Ministry of Social Affairs, 2000.
9. TRAINER (System for driver training and assessment using interactive evaluation tools and reliable methodologies) DG TREN, April 2000
10. SUNRISE (Cohésion sociale dans les zones urbaines/rurales basée sur services collectifs de mobilité innovateurs et durables», INTERREG IIIC Zone South, June 2004 – November 2005.
11. ACTUS (Accessibility Network for Turkish Greek societies), Project funded by The Central Finance and Contracts Unit (CFCU) which has been established by the Memorandum of Understanding signed between EU Commission and Turkish Government, May 2008- November 2009.
12. MAPLE (Improving mobility and accesibility for people with learning disabilities in Europe), 2003 – 2005, DG - Employment, Social Affairs and Equal Opportunities, The European Year of People with Disabilities, 2003

13. SUNRISE (Cohésion sociale dans les zones urbaines/rurales basée sur services collectifs de mobilité innovateurs et durables), June 2004 – November 2005, INTERREG IIC Zone South
14. MEDRA (MERSIN and Drama Municipalities), Project funded by The Central Finance and Contracts Unit (CFCU) which has been established by the Memorandum of Understanding signed between EU Commission and Turkish Government, May 2009-April 2010
15. FLIPPER (Flexible Transport Services and ICT platform for Eco-Mobility in Urban and European Rural Areas), 19/09/2008 -18/09/2011, INTERREG IVC Programme

EXPERIENCE WITH INTERNATIONAL ORGANISATIONS

- Evaluator and Reviewer of DGXIII and DGVII
- Member of the European Transport Safety Council (ETSC)
- Member of the SUMSEM (Sustainable Mobility Scenario Methods) network
- Member of various Conference programme Committees including ISATA '93 and '94.
- Invited participant in various ECMT roundtables.

PARTICIPATION IN GREEK STUDIES AND RESEARCH PROJECTS

1. "Creation of a data base for Port Infrastructure and Evaluation of the capabilities of Land-sea Interface points in Eastern Mediterranean" Project assigned by the Ministry of National Economy of Greece (TRANSCEM), Thessaloniki, 1990.
2. «Survey for the assessment of the market potential of the Port of Thessaloniki, development of a marketing strategy» Project assigned by the Port Authority of Thessaloniki, April 1995 (A' phase), December 1996 (B' phase)
